

ASSOCIATION OF PHYSICIANS OF PAKISTANI-DESCENT OF NORTH AMERICA

APPNA Office of Continuing Medical Education ACCREDITATION STATEMENT

One of the following accreditation statements must appear on all CME activity materials and brochures distributed by accredited organizations, except that the accreditation statement does not need to be included on initial, save-the-date type activity announcements. Such announcements contain only general, preliminary information about the activity such as the date, location, and title. If more specific information is included, such as faculty and objectives, the accreditation statement must be included.

Directly Sponsored (APPNA only):

The Association of Physicians of Pakistani-descent of North America (APPNA) is accredited by the Accreditation Council for Continuing Medical Education to present continuing medical education for physicians.

The APPNA designates this live activity for a maximum of ___ *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Joint Providership (APPNA and component society or outside agent):

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Association of Physicians of Pakistani-descent of North America (APPNA) and (name of nonaccredited provider). The APPNA is accredited by the ACCME to provide continuing medical education for physicians.

The APPNA designates this live activity for a maximum of ___ *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

There is no "co-providership" accreditation statement. If two or more accredited providers are working in collaboration on a CME activity, one provider must take responsibility for the compliance of that activity. Co-provided CME activities should use the directly provided activity statement, naming the one accredited provider that is responsible for the activity. The ACCME has no policy regarding specific ways in which providers may acknowledge the involvement of other ACCME-accredited providers in their CME activities.
