

## College of DuPage

Address: 425 Fawell Blvd

Zip: 60137

City: Glen Ellyn

Website: [www.cod.edu](http://www.cod.edu)

Contact Person: Melissa McKirdie BA, RDMS, RVT

Contact Email: [mckirdiem@cod.edu](mailto:mckirdiem@cod.edu)

Contact Phone: (630) 942-3608

Program: Accredited Certificate Program in General Sonography, Accredited Associate Degree

Program in General Sonography, Certificate and Associate Degree in Vascular Sonography

Accreditation: CAAHEP

Program Length: Associate – 24 months (87 credit hours); Diagnostic Medical Sonography

Certificate – 3 terms (44 semester credit hours); Diagnostic Medical Vascular Sonography Certificate – 2 terms (18 semester credit hours)

Application Deadline: May 15 (verify date each year)

Program Start Date: Fall Semester each year

What to Learn: Sonographic Physics and Instrumentation, Pathophysiology, Cross-Sectional Anatomy, OB/GYN, Superficial Structures, Breast Sonography, Abdominal, Legal Aspects of Health Care in Sonography, Abdominal and Peripheral Arterial, Cerebrovascular Ultrasound, Clinical Education

Clinical Sites: Contact program (may require rotation)

Estimated Tuition, Fees and Costs: Diagnostic Medical Sonography Associate Degree – \$252.15 per credit hour, student also pays lab fees for lab courses and other incidental fees; Diagnostic Medical Sonography Certificate – \$6,160 Tuition and fees, \$2,071 Books and supplies; Vascular Sonography Certificate – \$2,520 Tuition and fees, \$847 Books and supplies

Financial Aid Opportunity: Federal PELL Grant, SEOG, State Student to Student Grant, Illinois MAP Grant, A Direct PLUS Loan, Illinois Veteran Grant Program, College of Dupage Scholars Award, JumpStart Scholarship

## Triton College

Address: 2000 Fifth Ave

Zip: 60171

City: River Grove

Website: [www.triton.edu](http://www.triton.edu)

Contact Person: Debra Krukowski RDMS

Contact Email: [dkrukows@triton.edu](mailto:dkrukows@triton.edu)

Contact Phone: (708) 456-0300

Program: Certificate and Associate Degree in Sonography

Accreditation: CAAHEP

Program Length: Associate – 5 Semesters (71 credit hours); Certificate – 4 Semesters (41 credit hours)

Application Deadline: Applications received before September 15 are reviewed first until program is full; Files received until January 15 then considered; After that it goes month by month

Program Start Date: Rolling start dates based on when application is accepted

What to Learn: Ultrasound Physics, Cross-sectional Anatomy, Principles & Procedures of Ultrasound, Ultrasound Film Critique, Pathology & Diagnostic Sonography, Principles of Computerized Sonography, Introduction to Peripheral Vascular Sonography, Clinical Applications  
Clinical Sites: Rotation between 2-4 sites that include Palos Community Hospital, St. Anthony's (Rockford), Northwest Community Healthcare, University of Illinois Hospital & Health Sciences System and more sites for sonography clinical training  
Estimated Tuition, Fees and Costs: In-District – \$103 per credit hour; Out-Of-District – \$268.80; additional program fees apply  
Financial Aid Opportunity: Federal and State Grants and Loans; Illinois Veterans Grant, Illinois National Guard Grant, Federal Programs Grants and Tuition Assistance, State of Illinois MAP Grant, General and Triton College Foundation Scholarships

### **Harper College**

Address: 1200 W Algonquin Rd  
Zip: 60067-7398  
City: Palatine  
Website: [www.HarperCollege.edu](http://www.HarperCollege.edu)  
Contact Person: Kelly Hamontree MS, RDMS  
Contact Email: [khamontr@harpercollege.edu](mailto:khamontr@harpercollege.edu)  
Contact Phone: (847) 925-6991  
Program: Associate Degree in General Sonography, Associate Degree in Cardiac Sonography  
Accreditation: CAAHEP  
Program Length: 2 years (71-72 credit hours)  
Application Deadline: October 1 for initial priority consideration; application accepted until February 2 (verify dates each year)  
Program Start Date: Fall every year  
What to Learn: Sonography Theory, Basic Health Care Skills, Ultrasound Physics and Instrumentation, Abdominal and Small Parts, Obstetrical and Gynecological Sonography, Vascular Sonography, Clinical training  
Clinical Sites: Call or email program for information  
Estimated Tuition, Fees and Costs: Must attend information session to get specific tuition costs, which are twice the standard tuition rate  
Financial Aid Opportunity: Federal Direct Loans, Federal Grants (Pell Grant and FSEOG), 150 Scholarships and State of Illinois Monetary Award Program (MAP) Grant
