

APPNA Scholarship Endowment Program

Dear Friends and Colleagues,

APPNA Alumni Scholarship Project was started in 2013 with a pledge of generous donation by an alumni member in the amount of ONE MILLION DOLLARS. The Scholarship Program is intended to help deserving students enrolled at respective medical colleges in Pakistan to defray some of their educational expenses. This is a way for us to Thank God Almighty for all the blessings we have had and help future students with their studies. The money is distributed from the appreciation and income of invested funds and we are hoping that this program will be continued for years to come. The Scholarship Committee Members, in collaboration with the respective Alumni, have worked very hard to raise funds for this noble cause and have been able to raise 1.1 million dollars. As a result all the matching funds have been received and allocated according to the wishes of the donor.

These funds are being invested in the dedicated APPNA Scholarship Endowment Account with sub-accounts for each alumni, according to the APPNA Finance Committee Guidelines. The investment is being managed by Stephens Inc., a member of New York Stock Exchange, under the close supervision of Hank Bashore who has been diligently managing APPNA Accounts for over 25 years. The total value of funds in the APPNA Scholarship Endowment Accounts with Stephens are \$2,257,318.63 as of May 31, 2017.
