SUBJECT: APPNA NORTH TEXAS CHAPTER ACTIVITY REPORT

Dear Jennifer,

I am writing to you in regards to APPNA North Texas Chapter activity report. As you know I just took over as chapter president in Jan 17 and has been working very hard to rejuvenate the chapter. I had several meetings with my EC and we are planning to have a meeting in April for the local chapter. At this time we are working on the logistics of the meeting.

I have also started updating the list of the physician in DFW area as we are planning to have a membership drive at our meeting in April.

I would be able to make to spring meeting and is looking for somebody for proxy. I will let you know if I find someone.

Feel free to contact me if you have any questions.

Sincerely,

Mohammad Amir M.D.  
President APPNA North Texas Chapter
