

South Central PA chapter report

We did a meet and greet on Feb.11th where more than 30 members participated. We came up with strategic plan for the year 2017.

We will be holding a CME activity in April and plan to do a Pakistan - American day later in the year.

Local charities were identified to work with and emphasis is on getting Youth involved.

We will continue to expand our APPNA-SCPC adopt a highway program and our food pantry.

Thanks,
Zahid Khan, MD
President
APPNA-SCPC 2017-18
