

APPNA Scholarship Endowment Program

Dear Friends and Colleagues,

APPNA Alumni Scholarship Project was started in 2013 with a pledge of generous donation by an alumni member in the amount of ONE MILLION DOLLARS. The Scholarship Program is intended to help deserving students enrolled at respective medical colleges in Pakistan to defray some of their educational expenses. This is a way for us to Thank God Almighty for all the blessings we have had and help future students with their studies. The money is distributed from the appreciation and income of invested funds and we are hoping that this program will be continued for years to come. The Scholarship Committee Members, in collaboration with the respective Alumni, have worked very hard to raise funds for this noble cause and have been able to raise 1.1 million dollars.
