SUBJECT: APPNA NORTH TEXAS CHAPTER ACTIVITY REPORT

Dear Jennifer,

Here is the activity report for our chapter that you requested. We had a very busy spring and summer in North Texas. We had our chapter meeting on April 28 at Park Plaza Tower banquet hall which was very well attended. Ali Haider was here for entertainment. We were able to have \$1500 profit with this meeting.

We also had our general body meeting in September where we adopted several bylaws changes by unanimous vote. We also provided one hour of Ethics CME to the membership.

We are moving forward with reviewing our bylaws and making necessary changes to meet our chapter needs. We have a lot of things planned for upcoming year and we will keep you posted.

Feel free to contact me if you have any questions.

Sincerely,

Mohammad Amir M.D.
President APPNA North Texas Chapter
