

Asaf Riyaz Qadeer MD.

Executive Director APPNA Foundation.

Dear APPNA Members:

Welcome to APPNA Fall Meeting 2018. Let me begin by congratulating you all for yet another great year for APPNA Foundation. We started the year with a lot of passion and excitement and challenged ourselves to take the foundation to the next level. Our ultimate goal is to distinguish ourselves as one of the eminent foundations engaged in significant philanthropic work world over, especially in US and Pakistan. The leadership is looking beyond the near future with plans to build a network of technical, financial and philanthropic power for global reach. I would like to thank our donors who made it possible for us in strengthening APPNA's capacity and remained generous with their donations.

APPNA is in the business of giving for the last forty years. Our members have always been generous to make a difference in the life of those in need. Having this in mind, APPNA Foundation was established in 2014 with the aim to establish enough of an endowment that APPNA's activities can be sustained by its dividends and at the same time, APPNA can dream of long-term projects. That is APPNA Foundation.

Over the years, APPNA has raised millions of dollars for various philanthropic causes. APPNA still depends on the philanthropic spirit of its members and the outreach efforts of the elected officers every year. From its star project of APPNA Sehat to Disaster Relief; including Earthquake and Flood Relief, it has helped many in need directly and in collaboration with other organizations. The list is long. It includes social welfare work like tube wells for Thar, famine in Balochistan, natural disasters of Tsunami in Haiti and Joplin. APPNA also helps various educational activities directly under APPNA Merit and provides a financial 'umbrella' to various component societies like Local Chapters and Alumni Associations here in the United States for their work back home in Pakistan.

The target has been to raise one million dollars. We ask you to do your part today. Your money will go a long way in laying the foundation of a fiscally strong organization of philanthropy enabling APPNA to continue its good work and provide the much needed economic strength to expand its scope of activities.

Our greatest achievement when we successfully established a strategic partnership with ZT Wealth, an investment company, for perpetual donation of a generous amount of unrestricted funds for APPNA and APPNA Foundation for the next four years.

APPNA is your flag bearer and your courier. As a doctor of medicine you are already in the business of alleviating pain and suffering for your patients; how about extending a helping hand to those who cannot reach you. Each dollar you donate will help a needy at some corner of the world and imagine the dividends you will receive in terms of prayers.

I would like to request all APPNA Members to donate at least a Thousand Dollars to foundation immediately so that we can continue our projects with the same zeal and enthusiasm and at the same time financially empower Local Chapters to start new projects.

As you know your donation of any amount is tax deductible. There is no limit or restrictions on the amount you want to donate. Please donate with APPNA's future in mind and help us sustain our short-term and long-term philanthropic projects.

Please extend your kindness and be a part of the foundation with your wholehearted participation. Make your checks payable to APPNA Foundation. Also Donation to APPNA Foundation can be made at the following Link.
