

## CV for Board of Trustee APPNA

### Eligibility:

Medical Staff President of SSM St. Mary's Hospital in Centralia, Illinois for two terms 2004-2005; 2012-2013

President of APNCA, Association of Pakistani Origin cardiologists of North American 2018-2019

A component Society of APPNA, APCNA, holds meeting with APPNA's annual summer and winter meetings, in addition to contributing to CVS lectures and hands on workshops by its 150-200 members.

### Board of Trustee Positions:

#### SSM St. Mary's Hospital

Nominated twice by medical staff for Board of Trustee 2 year term position.

APCNA Board of Trustee for last eight years.

Khyber Medical College Alumni Board of Trustee for past nine years

APPNA

Life time member for 13 plus years and annual member for over 10 years

APPNA SWDRC member for 12 years

Co Chair SWDRC with Dr. Shahid Sheik 6 years ago during Dr. Javed Suleman's presidency

Advisor APPNA swdrc FOR LAST TWO TERMS 2014-2018

During the presidency of Dr. Samad, on the request of APPNA during the SWAT crisis, I was asked to organize thru Khyber Medical College staff and members to help, both medically and financially, the refugee camps. APPNA also donated 3 ambulances. Two were for Peshawar and one for SWAT. I personally visited and checked to ensure appropriate use for patients.

Represented SWDRC, APPNA, and Khyber Alumni during the flooding 10 plus years ago. I went on site to represent APPNA Central and I also visited them personally with KMC Professor of Social Welfare near Nowshera with financial and moral support through Khyber Medical School staff and members.

Organized through SWDRC arranging three golf carts to Lady Reading Hospital during Dr. Asif's presidency for use during the Taliban public school incident

Still actively involved with Dr. Fawad Zafar for Cornea Bank especially helping in KPK at Lady Reading Hospital and now at Khyber and Hayatabad Hospitals.

Served on APPNA Financial Committee

KYBER MEDICAL COLLEGE ALUMNI OF NORTH AMERICAN  
KMCAANA

Board of Trustee for eight years

Represented KMCAANA in initiating scholarships almost twelve years ago for deserving, less privileged students along with other KMCAANA executive committee

Actively involved in the scholarship project

Organized basic life support at Khyber Hospital and KMC Medical School

Arranged APCNA annual meeting with teaching at hospital and medical school and also for Pakistani Cardiologist annual meeting in Peshawar about ten years ago

Active with lectures, hands on procedures, donations of hundreds of stents and pacemakers through US companies

ST. MARY'S HOSPITAL

CENTRALIA, ILLINOIS

Medical staff president 2004-2005 and 2012-2013, an elected position by medical staff

Chair Credential Committee for two terms and member of Credentials and Executive Committees for twenty years.

Chaired numerous committees over the years: Internal Medicine, Critical Care, Cardiology, Professional Staff Citizenship, and Bylaws

Director of Cardiology, Cardiac Catheterization Lab, Echocardiography and Vascular Labs

Accredited Echocardiography and Vascular Labs at St. Mary's Hospital and at my office which also include Nuclear Lab

Started Echocardiograms, Stress Tests, Heart Catheterizations, Nuclear Cardiology, ICU Hemodynamics, and Vascular imaging in my last thirty six years at St. Mary's Hospital in rural southern Illinois

Member American Society of Echocardiography

Member American Society of Vascular Medicine

Member American Society of Nuclear Medicine

Naeem A. Khan M.D.

**FACC, FSCAI**

APCNA Association of Pakistani Cardiologists of North American

President 2018-2019

Board of Trustees last 11 years

Member of the Pacemaker Committee and many standing committees of APCNA since inception. I am one of the founding members.

Organized pacemaker donation fundraisers with Governor KPK and Rotary International in Peshawar

Acquired over 100 pacemakers through the donations of US companies and hundreds of stents for years for Lady Reading Hospital, Peshawar representing APCNA and Khyber Alumni. I have participated in teaching, making rounds, performing procedures at Lady reading Hospital and lectured at KMC Medical School for decades.

Initial pacemaker bank was at Lady reading Hospital. It is now at Hayatabad Hospital Peshawar. Five pacemakers are always available for poor patients through the donations of APCNA members.
