**MONTHLY NEWSLETTER NOVEMBER 2024 EDITION**

## PRESIDENT'S MESSAGE

Assalamu Alaykum,

This month's newsletter highlights the advocacy committee of APPNA as well as reflections on a very successful fall meeting in San Antonio.

APPNA Advocacy committee's primary task is to facilitate visa process for medical students and help them through engaging with the state department. They also work hand-in-hand with YPC in helping young students achieve electives, observership interviews and ultimately residencies. I wanna thank Dr Abdul Rashid Peracha, Dr. Zafar Iqbal and most importantly Dr Fateh Shehzad for their role in the advocacy committee and all the help they have given to the young medical students throughout the year.

APPNA Fall meeting was held in San Antonio Texas in September 2024. This was chosen largely because of a strong host committee who could deliver Superb Fall Meeting, and they did deliver!

Under the leadership of Dr Aamir Ehsan and his committee we had an amazing Fall Meeting, perhaps one of the most successful Fall meetings APPNA has ever held.

The CME conducted was AI augmented and world class CME in Internal Medicine and its subspecialties. This was in keeping with our theme throughout the year that we will concentrate and make the association education oriented, and our continued emphasis on education.

We had great YPC sessions again, replicating what we did in summer meeting and had several program directors connect with young physicians who networked and learned about how to get into medical residencies in the United States. We had six program directors of different medical specialties who attended the YPC program during the fall meeting, including president of the state board of medical examiners. This has never been achieved before in the APPNA meetings. The entertainment was world class, including Sanam Studios' cultural dance on Friday and the comedian was really a classic act of comedy on Friday evening. Saturday, we had Shafqat Amanat Ali from Pakistan, who entertained us with amazing music. The food was arranged from Houston and was delicious and abundant.

Always wishing you the best.

**Dr. Asif Mohiuddin**  
President, APPNA

## EDITOR'S NOTE

Dear APPNA Members,

This issue of "SUNO APPNA" combines APPNA Advocacy Committee report and APPNA Fall Meeting report.

APPNA has been instrumental in advocating for the rights and needs of Pakistani American physicians and medical students. The **APPNA Advocacy Committee** primarily supports medical students and graduates from Pakistan. They help secure various visas (e.g., B-1, J-1, H-1) for electives, observations, USMLE exams, and research positions in the USA. Collaborating with APPNA YPC and alumni, the committee provides year-round visa guidance, aiding over 3,000 applicants annually. The comprehensive approach

to advocacy underscores APPNA's commitment to supporting the medical community and fostering international collaboration.

The **APPNA Fall Meeting 2024**, chaired by Dr. Aamir Ehsan, set new standards in healthcare innovation, education, and advocacy under the theme "Stomp Out Blood Cancer."

Some of the key highlights of the event included the CME Conference that featured comprehensive sessions on cutting-edge medical topics. The conference also hosted an insightful session on Artificial General Intelligence, exploring its transformative potential in healthcare, alongside discussions on healthcare compliance and mergers & acquisitions, emphasizing crucial legal and financial considerations. The Innovation and Entrepreneurship Symposium showcased the latest advancements in AI diagnostics, telehealth, and precision medicine, while the C-Suite Leadership Forum equipped APPNA members with essential career development tools. The Cancer Walk "River of Hope" highlighted blood cancer awareness, with a notable donation to the Leukemia & Lymphoma Society by President Dr. Asif Mohiuddin. Additionally, an interactive session with YPC and program directors provided valuable residency guidance to the medical students and residency applicants. Cultural highlights included a dinner that celebrated the fusion of Pakistani and Mexican traditions, a Qawwali performance by Imran Aziz Mian on Friday, and entertainment by Shafqat Amanat Ali on Saturday.

The Communications Committee is thrilled to announce the launch of our newly redesigned website, [APPNA.org](http://APPNA.org). As we continue to improve various areas, your feedback is invaluable. Please share your thoughts directly with me at [ashraf.nauman@gmail.com](mailto:ashraf.nauman@gmail.com).

Happy Holidays,

**Nauman Ashraf, MD**

Chair, APPNA Communications Committee 2024

## Advocacy Committee Report

Dear APPNA Members,

Most of APPNA advocacy committee work is related to medical students and graduates from various medical institutions in Pakistan.

Medical students and young physicians face difficulty in securing visit visas for their electives, observations, USMLE step 3 exam and J-1 research visas, for those physicals who secure research positions in various institutions in USA. Advocacy committee in collaboration with APPNA YPC and various alumni conducts regular webinars regarding various visa categories as well as assists visa applicants with their visa applications and preparation for visa interviews. Visa related guidance continues all year long and approximately we help over 3000 visa

applicants in various visa categories including B-1, j-1 research, j-1 clinical, H-1, H-4 and J-2 categories.

The major work is done with new resident physicians. APPNA advocacy has streamlined the journey from getting matched to joining the residency programs on time.

Achievements of APPNA advocacy committee

### *1- Simplifying the process of getting Statement of Need ( SON)*

In 2022, with the help of Dr. Faisal Sultan and Ministry of Health, Pakistan, we were able to simplify the process of obtaining Statement of Need. It used to take 3-4 weeks and required physical visit to offices of Pakistan Medical Council and Ministry of Health, Islamabad. Now applicants can apply for statement of need online and it is uploaded directly to ECFMG portal within 24 hours. This service is available to new resident physicians and fellowship applicants free of cost.

# SUNO APPNA

**MONTHLY NEWSLETTER    NOVEMBER 2024 EDITION**

## *2- Bringing all the residency match applicants and matched residents under one umbrella*

WhatsApp group is created for all potential applicants for residency each year in the month of July and guidance provided regarding the residency match process. Once NRMP match result is announced in March, all Pakistani incoming residents are divided into 2 WhatsApp groups, J-1 and H-1. Their pertinent information is gathered and forwarded to the US embassy in Islamabad and consulate in Karachi to secure visa interview slots. There has been 12-18 months waiting time for visa interview in Islamabad and Karachi. Pakistani matched residents are granted visa interview slots during April - June , reducing waiting period for visa interview in Islamabad and Karachi to only 3-5 days after visa application submitted as compared to a few weeks to a few months in other countries. These matched residents are provided guidance including getting sponsorship documents for J-1 and H-1 visas , completing visa application and preparation of visa interviews . There were around 700 resident physicians who contacted us for visa assistance this year. All of them joined their residency programs on time except 4.

## *3- PMDC accreditation with WFME*

APPNA physicians provided professional support and guidance as well as worked as a bridge between WFME (World Federation for Medical Education), PMDC (Pakistan Medical and Dental Council) and FSMB (Federation of State Medical Boards). With joint efforts PMDC was granted accreditation in spring of 2024.

Respectfully Submitting,

**Mohammad Fateh Shahzad, MD**  
Cochair Advocacy committee

## Key Highlights

### Pre-Meeting Host Committee Dinner

Organized by Host Committee and reception at the beautiful Hill Country of San Antonio.

The bus picked up guests from Hyatt Regency to the Venue site. Guests enjoyed the delicious dinner and mingling with the host committee.

### 1. CME Conference

The CME sessions, chaired by Dr. Sohail Rao, covered a broad spectrum of medical topics, offering attendees valuable insights into emerging trends, advanced therapies, and healthcare management.

### Day 1: Friday, September 27, 2024

#### Is There a Future for Psychedelics in Treating Depression?

- *Speaker:* Dr. Mujeeb U. Shad, MD, MSCS, DEAPA
- *Takeaway:* Discussed the clinical potential of psychedelics in treatment-resistant depression.

#### Updates on the Treatment of Obstructive Sleep Apnea

- *Speaker:* Dr. Hasan Ali Habib Ahmed, MD
- *Takeaway:* Focused on hypoglossal nerve stimulation for sleep apnea treatment.

#### Navigating Monkeypox: Risks, Responses, and Prevention Strategies

- *Speakers:* Dr. Rashid A. Chotani, MD, MPH & Dr. Huma Siddiqui, MD
- *Takeaway:* Emphasized preparedness and diagnostic precision for monkeypox outbreaks.

# SUNO APPNA

**MONTHLY NEWSLETTER NOVEMBER 2024 EDITION**

**Day 2: Saturday, September 28, 2024**

## **Advances in Cellular Therapies for Hematological Malignancies**

- *Speaker:* Dr. Zohra Nooruddin, MD
- *Takeaway:* Discussed breakthroughs in cellular therapies and bone marrow transplants.

## **Taking a BITE Out of CARs: Evolving Cellular Therapy Landscape in Oncology**

- *Speaker:* Dr. Muhammad Bilal Abid, MD, MS, FACP
- *Takeaway:* Explored CAR-T therapies in oncology.

## **Inherited and Myeloid Cancer Testing: Role of NGS**

- *Speaker:* Dr. Rizwan C. Naeem, MBBS, FACMG
- *Takeaway:* Highlighted the role of next-generation sequencing in diagnostics and treatment.

## **Anemia in Cancer: The Silent Thief of Health**

- *Speaker:* Dr. Hassan Kaleem, MD
- *Takeaway:* Discussed the impacts of anemia on cancer patients.

## **2. Keynote Lecture on Artificial General Intelligence**

**Title:** Harnessing the Power of Artificial General Intelligence - Revolutionizing Practice Operations for the Future

**Speaker:** Belal Faruki, CEO of DV8 Infosystems

### **Objectives:**

- Understand the basics of Artificial General Intelligence (AGI).
- Explore AGI's role in optimizing clinical operations, from front office workflows to the revenue cycle.
- Assess its impact on improving patient care.

# SUNO APPNA

**MONTHLY NEWSLETTER**      **NOVEMBER 2024 EDITION**

## **Summary:**

This session delved into the transformative potential of AGI in healthcare. Belal Faruki, a visionary in AI and quantum computing, provided a comprehensive overview of how AGI is set to revolutionize practice management and enhance patient outcomes. By leveraging AGI, healthcare providers can streamline operations, reduce costs, and improve clinical precision.

## **3. Healthcare Compliance and Mergers & Acquisitions Seminar**

**Title:** Navigating Emerging Compliance Challenges and Opportunities for Mergers and Acquisitions

**Speaker:** Darrell Armer, Dallas Managing Partner at Gray Reed

### **Objectives:**

- Enhance understanding of healthcare compliance.
- Address legal, financial, and market dynamics in mergers and acquisitions.
- Equip private practitioners with tools to optimize growth and maintain compliance.

### **Takeaway:**

The session offered practical insights for private practitioners and healthcare organizations on navigating the complexities of mergers and acquisitions, with a focus on regulatory compliance.

## **4. Innovation and Entrepreneurship Symposium**

Organized by Dr. Danish Bhatti (Chair) and Dr. Fahad Inam (host committee member)

Focused on leveraging technological advancements to transform healthcare:

- Discussions included Clinical Research, AI in diagnostics, telehealth platforms, and precision medicine.
- Networking opportunities connect healthcare innovators with potential investors.

# SUNO APPNA

**MONTHLY NEWSLETTER NOVEMBER 2024 EDITION**

## **5. C-Suite Leadership Forum**

Moderated by Drs. Mehmood Khan and Mohammad Sanallah, and organized by Dr. Sohail Rao, this session included two stalwart leaders in our community - Dr. Humayun Chaudhry, President and CEO, Federation of State Medical Boards (FSMB), USA., and Dr. Jawad Shah, CEO, Insight - Michigan.

### **Objective:**

The C-Suite Leadership Forum was an innovative initiative aimed at empowering APPNA members by providing a platform for career development, collaborative leadership, and networking to inspire future healthcare leaders.

### **Outcome:**

The session successfully bridged the gap between clinical expertise and executive leadership, equipping attendees with tools to contribute more effectively to healthcare transformation.

## **6. Cancer Walk “River of Hope” – Boat ride to stomp out blood cancer**

This was a unique kind of cancer awareness walk on the boat at the beautiful Sn Antonio river walk. More than 150 members participated, thus bringing awareness for blood cancers. September is the national blood cancer awareness month. President – Dr. Asif Mohiuddin on the behalf of APPNA donated for Leukemia Lymphoma Society (LLS) to support Awareness and research.

## **7. YPC and Program Directors**

### **Navigating your Path: A Residency Guide for Medical Graduates**

Interactive and In-person with 6 Residency Program Directors from Internal Medicine, Family Medicine, Psychiatry, Pathology and OB/GYN.

Dr. Khurram Siddique – Chair YPC and Dr. Shahnila Latif conducted the session

# SUNO APPNA

**MONTHLY NEWSLETTER NOVEMBER 2024 EDITION**

## **8. Social Forum “Diplomacy for Progress with State Department”**

Guest – Arturo Hines – Deputy Director for Pakistan State Department

The session was chaired and organized by Dr. Rao Kamran. Various aspects of USA and Pakistan diplomacy at the grass root level was discussed and ideas were exchanged.

## **9. APPNA Family Alliance**

Youth to Youth session with high school and undergrads students and Fashion show organized by Dr. Sadia Atif Qureshi

## **10. Jummah Khutbah by Dr. Omar Husain**

“Advocating for Ourselves: What Pakistani American do Right”

## **10. Press Conference**

Major media partners attended and covered the fall meeting. The media presence including travel, lodging, ticketing and meals was completely underwritten by the sponsors. We appreciated their presence during the fall meeting and extensive coverage of the event.

First time during an APPNA meeting a formal press conference was organized and attended by Dr. Asif Mohiuddin, Dr. Rizwan Naeem, Dr. Aamir Ehsan and Belal Faruki.

## **11. Dua Group and Movie “Leech”**

Dua group was one of the sponsors of the meeting. There was the screening of the movie “Leech” was during the meeting and was well received by members. The Dua group donated hundreds of perfumes and T-shirts to APPNA members.

Co-Founder – Anum Raza was in attendance and was awarded by APPNA for her services.

## **12. Future Ambassadors of APPNA**

• Host committee initiated this collaborative effort with YPC and APPNA members who collectively sponsored 40 students to attend Friday and Saturday Banquette dinner

# SUNO APPNA

**MONTHLY NEWSLETTER NOVEMBER 2024 EDITION**

## 13. Cultural and Social Events

- Bazaar and Exhibit Booths – Showcased by variety of brands and non-retail vendors
- **Friday Night:** A cultural dinner blending Pakistani and Mexican traditions. Sanam Studios from Atlanta presented folks music and dances from all provinces of Pakistan. Qawwali by Imran Aziz Mian
- Surprise entry of Donald Trump Impersonator sparked the excitement and engagement of members. This event was moderated by Raza Zaka Khan
- **Mushaira:** It was well organized by Dr. Rizwan Ali (Chair) and Dr. Salim Torania (Co-Chair). Reputable Poets attended that was well received by members.
- **Saturday Night:**

Event was moderated by MS2 student from UTMB Galveston medical school – Hasan Ehsan

A formal banquet featuring keynote speaker Kimberly Irvine, a breast cancer survivor, and entertainment by Shafqat Amanat Ali.

Honorable Consul General of Pakistan, Houston Mr. Muhammad Aftab Chaudhry was in attendance and addressed the members appreciating efforts of APPNA and engaging younger physicians and students.

**Catering by:** Tempura and Mezban (Houston) and Fusion Food (San Antonio)

## Conclusion

The APPNA Fall Meeting 2024, under Dr. Aamir Ehsan's leadership, successfully combined medical education, innovation, and advocacy. With trend-setting CME session with inclusion of AI to augment participant learning, C-suite Leadership Forum, and the blood cancer campaign, the meeting empowered attendees to advance healthcare delivery and address pressing public health challenges. Incorporating these insights into future events will further APPNA's mission of transforming global healthcare.

## Celebrate Life's Milestones Together!

### September/October Specials

September hosts a variety of important dates and celebrations around the world, each marking significant cultural, historical, or seasonal moments.

1. Labor Day (first Monday in September) - In the United States and Canada, this holiday celebrates the contributions of workers and the labor movement. It often marks the unofficial end of summer.
2. International Literacy Day (September 8) - Established by UNESCO, this day highlights the importance of literacy for individuals and societies, promoting global literacy initiatives.
3. World Suicide Prevention Day  
Celebrated on September 10th, this day aims to raise awareness of suicide prevention and to reduce stigma
4. Patriot Day (September 11) - In the U.S., this day commemorates the lives lost in the September 11, 2001, terrorist attacks, honoring both victims and first responders.
5. Mid-Autumn Festival (date varies) - Celebrated across East Asia, this festival, also known as the Moon Festival, is a time for family gatherings, eating mooncakes, and appreciating the harvest season.
6. International Day of Peace (September 21) - Recognized by the United Nations, this day promotes peace and encourages actions toward ending conflict globally.
7. World Tourism Day (September 27) - Established by the UN, this day raises awareness of tourism's role in social, cultural, and economic development.

These dates showcase the diversity of September celebrations, blending cultural heritage, global awareness, and national remembrance.

# SUNO APPNA

## MONTHLY NEWSLETTER NOVEMBER 2024 EDITION

October is filled with celebrations and observances that recognize cultural traditions, raise awareness for various causes, and honor historical events worldwide.

1. International Day of Older Persons (October 1) - Recognized by the United Nations, this day celebrates the contributions of older adults and highlights issues affecting the elderly population.

2. World Teachers' Day (October 5) - A UNESCO observance, this day honors teachers' roles and contributions to education, acknowledging their impact on learning and social development globally.

3. Columbus Day / Indigenous Peoples' Day (second Monday in October) - In the U.S., Columbus Day commemorates Christopher Columbus's arrival in the Americas, while Indigenous Peoples' Day honors Native American history and culture.

4. World Mental Health Day (October 10) - Observed globally, this day promotes mental health awareness and efforts to support those struggling with mental health issues.

5. Halloween (October 31) - Celebrated widely in the U.S., Canada, and parts of Europe, Halloween blends ancient traditions with modern customs, featuring costumes, trick-or-treating, and spooky decorations.

6. Oktoberfest (varies; traditionally late September to early October) - Originating in Munich, Germany, Oktoberfest is the world's largest beer festival, celebrating Bavarian culture with traditional music, food, and festivities.

These October celebrations offer opportunities for cultural appreciation, social awareness, and community fun.

Please take a moment to let us know about any upcoming or recent personal milestones in your life, especially those occurring this month. Feel free to include a brief note or any pictures you'd like to share.

You can simply reply to [appnacomunication@gmail.com](mailto:appnacomunication@gmail.com) with your news, and we'll make sure to highlight and share these moments during our community updates.

Let's celebrate life's journey together!

Best Regards,

Fariya Afridi, MD
